

HIGH SCHOOL PROGRAMME FOR 12 TO 15 YEAR OLDS
FROM 1 MONTH TO 1 ACADEMIC YEAR - SAINT-RAPHAËL, FRANCE

"Learn French and sample life on the sunny French Riviera"

Who We Are

French Riviera High School is owned and managed by husband and wife team, Gemma and Christophe, who have over 8 years experience running successful, high quality language programmes for French and international students.

Our family business enjoys strong links to the community here in Saint-Raphaël. Thanks to our years of experience sending French children and teenagers to study abroad we have a thorough understanding of parents' expectations and concerns and are very proud of the privileged relationship we enjoy with both parents and the students in our care.

Where We Are

Based in the safe and friendly town of Saint-Raphaël, located on the French Riviera between Cannes and Saint-Tropez.

We believe it's the perfect place for teenagers to live and learn French for many reasons:

- Year-round sunny weather
- Beach-side location
- Easy to get to Cannes (30 mins), Saint-Tropez (40 mins) and Nice (45 mins)
- Huge choice of leisure activities for teenagers (windsurfing, paddle-boarding, sailing, mountain-biking, kayaking, snorkelling...)
- High school with a welcoming atmosphere and excellent academic standards

Our High School Programme

12 TO 15 YEAR OLDS

Our high school programme is open to motivated teenagers (aged 12 to 15 years) who have reached an A2 level (elementary +) in French, have a good academic record and are ready to take on a new challenge.

You'll attend the local semi-private high school and have lessons in many different subjects. You'll also have the chance to join in extra clubs and activities and the option of taking extra French language lessons outside of school hours.

School hours are between 8am and 5pm from Monday to Friday with Wednesday afternoons and the weekends free to relax, meet up with friends, do sport, go to the beach, discover the French Riviera and spend time with your host family.

Our Host Families

All our host families are well-known to us and many of them have children learning English at our language school. They are friendly, caring and attentive. You'll be included in daily family life and discover what it's really like to grow up in a French family.
